Hello Scott

I would like to propose two possible times to meet as follows based on availabilities of some of the company representatives who would accompany me. Please let me know if either or both dates can work or we can search for other dates as needed too. We are happy to meet at your office or meet at one of our offices. Certainly, prior to our meeting, I will confirm all attendees but anticipate that we will be about 4-6 persons on this side.

Many thanks.

Regards,
Barbara

Good morning Scott Just a quick note to thank you for your time and our conversation last Thursday. I am trying to clear dates with a few company reps who might accompany me and will be back in touch on this shortly. We will also take a look at what data can be useful to aid our discussions.
