Dear Bert:

Attached is a copy of a message I got from our member Dick Jackson, who runs the Hampshire Company office in Washington, D.C.

As you know, I have heard nothing from Dr. Selikoff with regard to getting a copy of that report of his, and anything you can do to expedite this would be very much appreciated.

Also, Bert, what I think we should do to offset any damage that may have been done in our bulletin sent out following the convention is to get out a complete bulletin on the subject of Dr. Selikoff's speech. For that reason, I really do need something from him which I can use to compose a bulletin.

Your influence in this regard would be appreciated, and I do look forward to hearing from you.

Sincerely yours,

Joe H. Baker, Jr.
Managing Director
