5. For other corrections and information, thanks to Dr D Forman, Mr J T Barr, Mr T H Sutherland and Mr N F Humphry.
6. I should be very grateful if all recipients of the Register could continue to keep me fully informed of any new cases, or, if they should hear of other Companies who have acquired a case of ASL, it would be much appreciated if I could be notified by the appropriate person.

It is extremely helpful if new information is supplied in tabulated form, using the headings in the Register as far as possible.
7. I would like to thank the many people who have suggested research topics, and should be grateful if I could be kept up to date.
8. I shall be happy to supply to any recipient of the Register a copy of the Paper "Exposure to Vinyl Chloride and Angiosarcoma of the Liver: a report of the Register of cases" by Dr David Forman, myself, Dr John Stafford and Sir Richard Doll, published in the British Journal of Industrial Medicine, November 1985 (42: 750-753)
