Dr. Robert A. Kehoe,
Kettering Laboratories,
College of Medicine,
Cincinnati, Ohio.

Dear Dr. Kehoe:-

I am very sorry that I did not have the opportunity to see you a second time before leaving, but due to my condition I felt it best that I go home as soon as possible.

Sorry to say that up to the present time I have received no relief from the condition which I explained to Dr. Schradin in your office last Tuesday, June 14th.; although Dr. Schradin seemed to feel that there was nothing serious the matter, I cannot help but feel that there will be if I am unable to rest at nights. While he seemed to feel that this was due to worry, certainly worrying, alone, would not cause the other symptoms which were present at the time of this examination.

I will appreciate it a great deal if you will be kind enough to advise me just what I should do in order to relieve the present condition.

My temporary address will be- 2112 North Boston Place, Tulsa, Oklahoma. Permanent address - Route No. 3, Box 420, Houston, Texas.

Trusting you will find it convenient to communicate with me in the near future, I remain,

Yours very truly,

R. B. Graham.
