TULSA, OKLAHOMA

SAFETY ENGINEERING AND INSPECTION REPORT

Member of
National Safety
Council

Company Union Asbestos & Rubber Co.

Date April 16, 1952

Plant McGregor

Location McGregor, Texas

Taylor

NOTE: THIS DOCUMENT DID
NOT COME FROM PPG FILES

The subject plant was last visited on Wednesday April 16, 1952. An inspection of the plant was made on this date in company with Mr. C. C. Spruengenberg. Conditions in general were found to be very good as to mechanical hazards. Some improvement has been made in dust control, and further improvement is scheduled.

Two or lost time accidents have been reported from this plant since the date of the last inspection, both were of a minor nature and resulted in medical first aid only.

R. C. Hendrix A.S.E.E.
