

1 position there as a civilian employee for another
2 three years, so I was there for five years and it was
3 before I went to graduate school, although I did go to
4 school through the taking advantage of the military to
5 go to night school at Johns Hopkins and at the
6 University of Maryland taking courses that I felt
7 would better prepare me for graduate school later on.

8 Q Is that a part of what is commonly referred
9 to as the GI Bill?

10 A It really wasn't. I paid for these myself,
11 but I was given time through my job because they were
12 related to the work I was doing to work with the
13 university to get these courses.

14 Q Okay. What did you do after your work for
15 the Army?

16 A That was the time when the military had
17 made a decision to expand the research into academic
18 laboratories, and they let many contracts around the
19 country to places like Rochester University,
20 University of Oregon, University of Cincinnati and
21 several others, and the University of California on
