

Spencer by -

General impression is that there was ^{very} ~~relatively~~ little ^{new} information reported at
the meeting. ~~However~~, The paper presented by Dr. M. G. Gayer ^{has} contained much important
information. The paper has been accepted. ~~Lead~~ as an ore pollutant, ~~was~~ ~~discussed~~ ~~and~~

was discussed ~~and~~ by

① Chiselm - ~~as it related to~~ This discussion
~~included a~~ ~~discussion of~~ ^{value} lead in soils in Smoke town
