FYI- attached are a few photos of the bathhouse where the miners congregate for their safety briefings, etc. before going underground. This would be the recommended location for the open press/discussions with miners.

Hi all – Looping in a few more members of our press team. I noticed that our schedule is different from what's listed below. Here is the latest proposed line-by-line I have for the event:

- 11:10 AM EST Administrator Pruitt arrives
- 11:10 – 11:45 AM EST Discussion with coal miners in locker room and media availability, open press.
- 11:45 – 1:00 PM EST Private roundtable lunch with leadership, closed press.
- 1:00 - 1:45 PM EST Safety training and gear up, closed press.
- 1:45 – 3:45 PM EST Underground mine tour, closed press.

- 3:45 PM EST – Depart

Let me know if anyone has any changes to this.

Would an 11:00 EST call tomorrow work for everyone to go over press logistics?

Thank you,

Amy
