Onderwerp: [cciep-chemicals] GDPC 04:10 meeting - AP 7.1. - CCIEP PFAS report approval
Bijlagen: PFAS in Belgium_CCIEP PFAS working group report_2022 version_Final.pdf; Annex I_PFAS CCIEP report_2022.docx

Dear colleagues,

In the annex you can find the 2022 version of the CCIEP PFAS working group report on PFAS in Belgium and its corresponding non-confidential Annex. During the GDPC meeting next week we would like to discuss this report for approval by the GDPC (AP 7.1).

We would like to invite the members to especially have a look at the Summary and the Discussions & Perspectives sections of this report.

I would like to thank all the members of the CCIEP PFAS working group for contributing to this new version of the report!

Kind regards,

Regulatory Advisor Chemical Risk Management
