INTERCHANGE

Oil seals for every car, truck, bus, trailer, or piece of industrial equipment. The new 1982 Victor® Master Oil Seal Catalog and Victor Oil Seal section in the NAPA Master Interchange give you the numbers you need to find them.

Both give you a complete interchange. And the new Victor Master Oil Seal Catalog even shows you how to find what you're looking for with a simple measuring method.

Either way, we've got your numbers—so you can get them fast. From Victor.

If we can't prove it, we'll give you a 47477 seal. Free.

If you can't interchange the seal number you need, then send in this coupon. If we still don't have the number you want, we'll send you a Victor #47477 seal. Free. That's how sure we are that we have all the right numbers.

Dear Sirs:
