Dr. H. H. Schrenk
Managing Director
Industrial Hygiene Foundation
4400 5th Avenue
Pittsburgh, Pennsylvania

Dear Dr. Schrenk:

About 1960 you barred individuals, such as myself, representing state agencies, from the engineering section of your meetings. Since that time we have not attended meetings of the foundation.

Mr. Richard W. Morse, Superintendent of this Division, has asked me if there is any other type of membership which we could obtain which would entitle us to be more active in your organization. For your information, we have approximately 90 employees in our division, and I would like to know the cost of a membership which would be comparable to that of an industrial employer.

I am writing this letter at the suggestion of Mr. William Hazard, Industrial Hygienist, Owens-Illinois Glass Co., Toledo, Ohio.

Very truly yours,

Dwitt Huffman
Industrial Hygiene Engineer
