Dr. Robert A. Kehoe
Professor Emeritus of
Occupational Medicine
University of Cincinnati
Cincinnati, Ohio

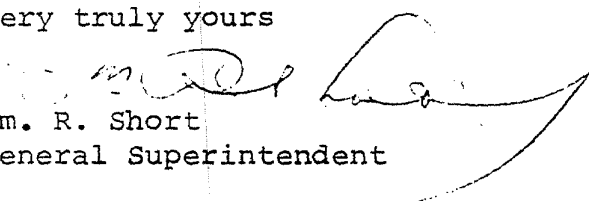

Dear Dr. Kehoe

After your kind attention to our correspondence requesting an appointment for an employee, Mr. Andrew Latchison, we now are informed by our lawyer that he cannot make contact with Mr. Latchison's counsel to arrange the trip. We are very sorry that this has happened.

At present we are attempting to arrange for this trip and physical examination with the assistance of an investigator, who may be able to contact Mr. Latchison.

We will keep you informed so that we might be able to set up another appointment for Mr. Latchison.

Very truly yours

Wm. R. Short
General Superintendent
