Enclosed is a notice of hearing received from the Board of Industrial Insurance Appeals, State of Washington. The above claim will be heard at the Spokane County Courthouse, Spokane on Tuesday, July 10 at 9:30 A.M.

Since this is a state fund arrangement rather than an insured club with Travelers, we don't know if anyone from your Spokane Office would like to attend, but you may wish to forward this notice to them for whatever action they wish to take.

Dear Fred:

Subject: John B. Gronenthal
Workmen's Compensation Claim
Washington

The attached notice indicates a hearing will be held September 12, in Spokane, Washington. Our records indicate Gronenthal was employed in Washington by both Armstrong Cork Company and Armstrong Contracting and Supply.

We did not receive a copy of the accident report, however, we presume this is an asbestosis claim which comes under the jurisdiction of the Washington Department of Labor and Industries.

In case someone in the Spokane Office might wish to attend the hearing we list below the periods of employment with Armstrong Contracting and Supply:

June 9, 1958 to August 23, 1958
December 23, 1958 to March 13, 1959
October 13, 1959 to November 3, 1959
January 18, 1960 to June 3, 1960

Washington is a monopolistic state, not covered by Travelers.

Sincerely yours,

R. C. Schiedt, Jr.

NOTICE OF CONFERENCE

[illegible]

considered. The following are the proposed changes:

Subsequent to Section 10, Chapter 276, Laws of 1951, now Section 5.1, Rules of Procedure of the Board of Industrial Insurance Appeals.

This conference is held for the purpose of settling the questions of importance, the simplification of issues of fact and law, the possibility of amendments to the notice of appeal to bring all issues, the possibility of obtaining admissions of fact and of documents which will avoid unnecessary proof, the limitation of the number of expert witnesses, and such other matters as may aid in the disposition of the appeal.

You are advised that Section 10, Chapter 275, Laws of 1941, entitled "In 1941 and 1942 Laws".

"If agreement concerning final disposition of the appeal is reached by the parties present at the conference, or by the employer and the workman or beneficiary, the board may enter a final decision and order in accordance therewith, providing the board finds such agreement to be in conformity with the law and the facts."
