Great! I guess I'll have to defer to Climax! Do you think any updates on the agency's thinking about Good Samaritan issues would be good to cover?

Copying my colleague Allison, who is our membership coordinator and meeting planner extraordinaire so that she is in the loop.

Hi Stan,

Thank you. Yes, we are confirmed for August 9th at 9 a.m. at your office (thanks for the address). Doug will not be able to participate on August 9th but on a positive note, Doug will be touring the Climax mine on August 10th. I may bring along a few folks from our mining division.

Thanks,

Subject: Confirming CMA Meeting for August 9

Good Afternoon Patrick: I think we confirmed August 9 a couple months ago for you and folks from your office to visit with the CMA Coal, Hardrock and Uranium Committee meeting about the Smart Sectors program. We start at 9:00 AM, and we have a new suite #, 860 in the same building we reside in now, 216 16th Street.

Let me if we're still on for the meeting, and if there are any new materials I should distribute. Did you tell me Doug Benevento was planning to attend, or did I dream that up?
