Hi Travis,

Any help you can give here? These are our Boards of Directors and we definitely would like the Administrator. If he is not available due to travel, would you be willing to be the Keynoter?

Hi Lisa,

Thank you so much for your patience. We will not be able to make this speaking event work this time, but happy to schedule a meeting some time in the future.

Ashley Brown

U.S. Environmental Protection Agency
Director of Scheduling – Office of Administrator

Good morning!

I conferred with Alex Dunn and attached for your review is the request form for Administrator Zeldin to speak at the CropLife America and RISE Joint Winter Boards Meeting on Wednesday, March 19th at 9:00am at the Westin Arlington. Also included in the PDF is the itinerary before and after Administrator Zeldin would speak as well as the original speaker request letter. We have all details except the security information – and when we hear back from the hotel, we will update the form and send it back to you.

Thank you for your consideration.

Sincerely,

Lisa

Dear Mr. Amidon and Mr. Carpenter,

On behalf of CropLife America and RISE, the nation's associations for agricultural and specialty pesticides respectively, we are pleased to invite the Administrator to deliver the Keynote Address at our Winter Joint Boards Meeting in Arlington, VA at 9 am on March 19, 2025 at the Westin. More details are in the attached letter regarding this opportunity to address over 40 CEOs of leading American companies. While we are certain that the Administrator is receiving many requests to speak at this time, we hope he is able to accept. As the letter notes, if he is not able to accommodate us, we would be happy to receive a surrogate from his office.

Please contact me if you have any questions about this invitation!

Regards,

Alexandra Dapolito Dunn, Esq.
