ATTENTION NON-ABA MEMBERS!

Membership in the ABA and the Section of Environment, Energy, and Resources is one of the most valuable investments you can make for your career. Harnessing the power of over 400,000 members, the ABA is the primary voice of the U.S. legal profession to governments and to the public. The Section of Environment, Energy, and Resources is the premier forum for lawyers working in areas related to environment, natural resources, and energy. Your membership offers access to courses led by national experts, the chance to maintain your connection to national and global legal trends, and even the chance to save money through discounts on consumer products and services, plus member-only pricing at our online store of ABA books and CLE.

ADDITIONS

- \$25 (suggested) or \$_____ ABA FJE Contribution**
 Voluntary contribution to support the Section of Environment, Energy, and Resources Project Support Fund. Contributions to the FJE are tax deductible to the full extent allowed by law.
- \$20 Achieving Carbon Neutrality**
 Calculated with great care, the Section estimates that the average attendee's participation will generate approximately one metric ton of carbon emissions. Help offset your carbon footprint by adding the cost of a one-ton carbon credit and help pay for tree plantings and service projects that will reduce greenhouse gases. Contributions to the FJE are tax deductible to the full extent allowed by law.
