Hey James,

The orange-shaded cells in the attached are what I filled in for OOs 3-5 in the E.O. 13783 spreadsheet.

The second tab ('TotalCosts_OOs345) shows how I did my calculations using the combined costs for the three OOs, in case that's helpful.

Thanks,
Mike

Great thanks. I'll add to the spreadsheet.

I think the background is helpful when questions arise. When I return to Shelley, I'll note that these include govt costs, and something in reference to the \$value.

Sounds good - feel free to copy/paste what I've got there in the comments
