Millan, that was perfect! Thanks so much for all your work on this. Regarding Cattlemen to Cattlemen tv, happy to hear Lincoln is working to put something together. No worries on the departure, we know the administrator is busy and we want to be respectful of his time.

You can reach Jennifer Houston at jhouston@beef.org.

Thanks again!

Scott and Ed,

Thank you both so much for all your help this morning. The Administrator really enjoyed being with the group.

I'm so sorry we had to duck out early but I think Lincoln is working to set up an interview with Cattleman's TV for this afternoon.

Also, there was a woman by the name of Jennifer that gave me a jar of salsa. Could I possible get her name and contact info? We would really like to thank her.

Hope the rest of the conference goes well!

Warm regards,

Millan
