Hey Jim - hope your weekend in Columbia went well. I have a similar bunch of friends based on Iowa public service that get together each year in Biloxi and play golf. Seems to provide a short term disconnect from the focus on work...

I also appreciate the insight you provided re: some of the places/issues where we just aren't connecting. I've talked with staff and there are some things we may be able to resolve even before our Lincoln meeting. We will give some thought to it.

Next time you are in KC - ribs!
