ODOR-LESS

A flat finish with maximum hiding and durability. It adheres to nearly any surface or practically any previous finish.

DIRECTIONS

Before painting, all surfaces should be dry, and free from grease. Wipe the surface, wipe thoroughly and dry at the same temperature as the paint. If necessary, sandpaper. Fill nail holes with sandpaper. After filling, spot prime with STIR PAINT THOROUGHLY.

OLD PAINTED SURFACES
Apply directly to the surface. The hiding secured from the desired. Two coats will be as it comes in the can. **THINNER** if necessary brush or roller.

NEW PLASTER: If Odor-Less Flat can be applied in two coats as necessary.

POROUS AND OLD
of Pigmented Gloss Seal over the entire wall surface. Apply as above.

CAUTION: Flammable. Keep away from fire. Avoid prolonged contact with skin. Do not take internally. Smoking. When not in use keep tightly closed.

For all your painting needs
