Subject: Speaking Invitation: Congressional Western Caucus Energy Forum, June 29
Attachments: 2018 Denver Energy Event Info -- Hand Out.docx

We writing you to invite a representative for the Administrator to speak at the Western Caucus Foundation's Energy Forum to discuss "**America's Energy Dominance Fueling Prosperity**" with Congressional Western Caucus Chairman Paul Gosar (AZ-04), Representative Mike Coffman (CO-06), Representative Ken Buck (CO-04), Representative Scott Tipton (CO-03), and Senate and Congressional Western Caucus Staff on Friday, June 29th in Englewood, CO. Please see the attached event invitation with current agenda outline (a detailed agenda will be released soon).

Specifically, we'd like you or one of your colleagues to be a featured speaker at our event with Members of the Western Caucus along with thought and business leaders on why pursuing an all-of-the-above energy approach to American energy benefits consumers, the economy, and the environment.

This is not a Colorado only conversation, our members are from all across the West and our issues are promoted across the West. Our events include presentations and constructive conversations on federal regulatory and public policy issues that have been typically classified as "Western," but are now having an impact both the economy and land use in other parts of the country.

This event is by invitation only. This event is planned to fully comply with congressional ethics rules and other applicable laws.

The Western Caucus Foundation (WCF) is a 501(c)(3) not for profit organization committed to educating public policy makers and communicating with the public in an effort to enhance, sustain, and preserve the principles and culture of the American West. The Foundation provides support, education, outreach, and networking opportunities to advance the public policies important to the West, and offers Western Caucus members, staff, and stakeholders a non-partisan and non-political organization to facilitate discussion of critical Western issues through a robust agenda of meetings, conferences, education programs, and communications.

Thank you for considering including this event on your busy calendar. Please contact me at info@westerncaucusfoundation.org or 202-487-8727 regarding you attendance or questions on the event.

Sincerely,

Darrell Henry | Executive Director
