We talked about him earlier?

A Yes.

Q By the way, did you ever -- did you ever hear the good news, bad news speech that Matthew Swetonic made in 1973?

A I don't recall.

Q The gist of that was that the bad news is that a certain number of people are going to get sick, but the good news is that no one is really paying any attention, does that refresh your recollection?

A Nope.

Q Mr. Swetonic in this letter, and this is from the files of the FMSI --

A This is from the FMSI. It doesn't show me as being copied.

Q You can look on the bottom right-hand corner and see that there FMSI Bate stamp.

A That's not a FMSI Bate stamp. That is somebody else Bate stamp.

Q I will represent to you that that stamp that was placed on there was placed on there after these documents were produced by the Institute in June of this year, and that this document is from
