Dear Dr. Kehoe -

I am writing
you to remind you of
your promise to me in
regards to my Swiss case
of Lead Poisoning. You
promised me that if
Cedric's case was an
industrial case that
you would do all you
could for us. We are
really in need of that
money, and if you can

do anything for us we
shurely would appreciate
it very much!

[REDACTED] is improving
so slowly that it will
be some time yet before
he can do any kind of
work. It is now going on
six months since he has
worked.

Thanking you and with
kindest regards, I am
Very truly yours.

Mrs. [REDACTED]
