UNIVERSAL BRAKE PARTS INC.

April 6, 2000

To: F M. S. I., Monroe, CT

Via Fax: (203) 452 - 7951. One page.

We are pleased to announce the re – location of our facility effective April 10,2000. Our new address, phone number, etc. are detailed below:

Universal Brake Parts,
1600 Clark Boulevard,
Brampton, Ontario
L6T 3V7

Phone: (905) 793 - 8800
Facsimile: (905) 793 – 3800

As of April 10 all shipments and / or services should be delivered to the above address unless specified otherwise. We will continue limited operations out of our current Wildcat Road facility for a period of time. Please note the best way to contact us should you need to is at Wildcat until we are fully integrated. We will advise you when this takes place.

We appreciate your assistance in our recent period of growth over the past number of years. Encompassing 80,000 square feet, this facility is twice the size of our current operation and will allow the continued growth we have experienced tog her for the past few years.

We have come a long way from our roots as North American Friction. In these days of cutbacks and plant closures the UBP Friction Division continues to exhibit growth and prosperity. Our manufacturing capacity has tripled in three short years and our work force doubled in the same period of time. We have achieved ISO 9001 accreditation and substantially grown our customer base.

We extend a sincere invitation to visit our new home should you be in the Toronto area. And again, thanks for your continued support.

Yours truly,

Universal Brake Parts
