to the most popular young lady in Ventura county, to be decided by votes in a subscription, advertising and job work contest.

To those who are candidates or who desire to enter the contest the following suggestions are offered:

1st—In each issue of the daily and weekly a coupon is printed, the daily coupon representing one vote and the weekly six votes. These are to be sent into the Free Press office before the time specified upon them.

2nd—A subscription to the Daily Free Press entitles the subscriber to votes as follows:

1 month's subscription	—	35	votes.
2 "	"	70	"
3 "	"	100	"
6 "	"	200	"
1 year's	"	400	"

3rd—A subscription to the Weekly Free Press entitles the subscriber to votes as follows:

1 year—100 votes.

½ year—50 votes.

4th—Every new advertisement sent into this office entitles the sender to votes on the basis of 100 for every dollar.

5th—All job work, billheads, letter heads, envelopes, cards, pamphlets, circulars, dodgers, posters, legal blanks, entitles the sender to votes on the basis of 100 for every dollar.

6th—To facilitate a candidate in securing subscriptions, the list of subscribers at any postoffice will be sent on request.

7th—Cash must accompany all orders sent in.

8th—Job work and advertising must be new business.

9th—Subscriptions can be renewals if paid up to date and a year in advance. Payment on delinquent subscriptions does not entitle a subscriber to votes.

10th—All subscriptions count whether in Ventura county, or out of it.

Whenever job work, advertising or subscriptions are brought to the office, the patron must thereupon request the coupon for votes and it will be turned over to him. He may vote it as he pleases or may give it to whomsoever he pleases. If he does no request the votes or takes no interes in the contest, then no coupon will be given him and no votes will be allowed him should he request them or some one else request them for him later on. The idea of the contest was to bring new business and new subscriptions to the Free Press and if business comes which would have come not withstanding the contest, it would not in be fairness to entitle some one of the contestants to votes. Votes in the piano contest, it must be understood, are given for new business only.

Mothers Make It the Home Medicine For the Little Ones.

The children, God bless them, are the buds and flowers of our homes. Without their prattle and hearty laughter, our homes would be desolate. They should ever be carefully tended in childhood and youth, if we expect them to ripen into perfect men and women.

In the home and at school, the children have their times of ill health and suffering. We often note the pallid and bloodless cheeks, heavy eyes, nervous movements, and twitchings of limbs and muscles. They complain of headache, drowsiness, weariness, dyspepsia, and indigestion. All such symptoms and ailments mean that the seeds of disease will have a fast and firm hold, unless proper measures are taken to restore a perfect condition of health.

Thousands of wise and prudent parents have made their children happy, healthy, and vigorous by giving them nature's medicine, Paine's Celery Compound. In many severe and complicated cases, Paine's Celery Compound has restored health when the little ones were given up by physicians.

If your dear ones are not as hearty, strong, and rugged as they should be, try the health giving virtues of Paine's Celery Compound. It makes and keeps the children well.
