

## TABLE OF CONTENTS (Continued)

|                                                                                   | <u>Page</u> |
|-----------------------------------------------------------------------------------|-------------|
| 3.2.6 Wet Friction . . . . .                                                      | 32          |
| 3.2.7 Moisture Sensitivity . . . . .                                              | 34          |
| 3.2.8 Lining Wear Rate . . . . .                                                  | 34          |
| 3.2.9 Friction Material Qualification . . . . .                                   | 36          |
| 3.3 Laboratory and Vehicle Friction Material Evaluation . . . . .                 | 36          |
| 3.3.1 Friction Assessment Screening Test (FAST) . . . . .                         | 38          |
| 3.3.2 Friction Materials Test Machine (FMTM) . . . . .                            | 38          |
| 3.3.3 Girling Scale Dynamometer . . . . .                                         | 39          |
| 3.3.4 Full Brake Inertia Dynamometer . . . . .                                    | 40          |
| 3.4 Correlation of Laboratory Test Results<br>With Vehicle Test Results . . . . . | 42          |
| 3.5 Federal Braking Requirements and Other Brake Tests . . . . .                  | 43          |
| 3.5.1 Federal Motor Vehicle Safety Standard 105 . . . . .                         | 43          |
| 3.5.1.1 Stopping Distance Requirements . . . . .                                  | 44          |
| 3.5.1.2 Parking Brake Requirements . . . . .                                      | 44          |
| 3.5.2 Federal Motor Vehicle Safety Standard 121 . . . . .                         | 46          |
| 3.5.2.1 Vehicle Braking Experiments . . . . .                                     | 46          |
| 3.5.2.2 Parking Brake Test . . . . .                                              | 47          |
| 3.5.2.3 Dynamometer Testing for FMVSS 121 . . . . .                               | 47          |
| 3.5.3 Federal Motor Vehicle Safety Standard 135 . . . . .                         | 47          |
| 3.5.3.1 Front Brake Biasing . . . . .                                             | 48          |
| 3.5.3.2 Control Forces for Brake Application . . . . .                            | 48          |
| 3.5.3.3 Parking Brake Performance . . . . .                                       | 48          |
