Dear Ms. Isenhour:

Thank you for your prompt response in sending us the names of the participants in Dr. Kehoe's study. I am sending you a copy of the letter and questionnaire that is being sent to all study participants. Lastly, I am curious to know if tables exist which summarize urine and blood lead levels for each of these subjects.

I wish you and Dr. Kehoe the very best for the holiday season.

Sincerely yours,

Patricia H. Travers, R.N., M.S.
