Doctor Robert A. Kehoe,
Kettering Laboratory of Applied Physiology,
University of Cincinnati,
Cincinnati - Ohio - U.S.A.-

Dear Dr. Kehoe,

Our stock of the Spanish translation "UNA APRECIACION DE LOS PELIGROS DEL PLOMO RELACIONADOS CON LA DISTRIBUCION Y USO DE GASOLINA QUE CONTIENE TETRAETILO DE PLOMO" (Primera Parte) is now only 5, while we have an ample supply of Spanish translations of all the other medical booklets. The cost of reprinting 50 copies would be approximately \$140.00 U.S. Dollars, and the reprinting of 100 copies \$155.00 U.S. Dollars.

Would you be good enough to advise me whether you consider that this work should be undertaken in order that we may be able to supply any new doctors with a complete set of the medical publications?.

Yours sincerely,

C. L. RISSO-GILL
