Let me see if something would work, I'm generally booked two weeks out.

Andrew-

Hope all is well. Some merchant refining executives will be in town next week and I was wondering if you would have time to meet with them on Wednesday, June 27th at or after 3pm. Executive attendees would be PBF's Chairman and CEO, Tom Nimbley, Delta's Senior VP of Fuel Management Graeme Burnett (he oversees the Monroe Refinery for Delta), and Valero CEO Joe Gorder. They will primarily be interested in talking about the RFS. Please let me know if you have time for this meeting at your earliest convenience and thanks in advance for your consideration.
