Good afternoon Brittany and Mandy. I'm reaching out on behalf of a coalition of companies, including our client NextEra Energy, who have aligned on a few specific regulatory reform ideas, including WOTUS, NSR, and 316(b). Our hope is for the group to brief you on these issues next Wednesday, April 26<sup>th</sup>.

If that date does not work on your end I believe we can have them back in town early May.

Thanks for considering. -Jay
