Thanks, Commissioner. We are working out the scheduling system here, so it may be a week or so before you hear back from our scheduling team.

Michelle

P.S. Nice to hear from home!

Michelle,

Thank you for providing your email address to send information to Scott on a matter that I asked about in early February. He indicated that he was open to speaking and so I am hopeful in his busy schedule, this will work out for him. If you need additional information, please do not hesitate to contact me or Joyce. Thank you so much!

Scott, it was great to see you yesterday at the state of the state address from Governor Fallin. I am hoping that the next phase of your confirmation will go a little smoother. Thank you for your patience and endurance in this journey!

As I mentioned to you yesterday, the MARC Conference is set for Chicago from June 18-21 and as an officer in that organization, I was asked to request if you would be able to speak to our group. I realize your schedule is unknown at this time, but I am hopeful that you could speak the morning of either Monday, June 19 or Tuesday, June 20. Included below is some background information for your reference. We would be honored to have you as part of our conference. Thanks for your consideration, Scott!

The Mid-America Regulatory Conference (MARC) represents an association of regional organizations of utility and energy regulatory agencies from 14 states that include: Arkansas, Kansas, Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Oklahoma, South Dakota, Texas and Wisconsin.

Since 1958, MARC has sponsored an annual meeting and conference of Commissioners and staff from member state agencies, as well as representatives of regulated industries and the public at large, to share ideas and discuss regulatory and policy issues affecting their states, region and the nation.

Chicago, IL, June 18-21, 2017

# 2017 CHICAGO

Best regards in the journey ahead. God Bless, Dana
