

Some people still think acrylic sheet
is acrylic sheet.

They haven't heard about *Dutch Boy*™

Can't exactly blame them.

Sure Dutch Boy sheet is available in a wide range of sizes and thicknesses. Translucent and transparent. In clears and in bright, durable, fade-resistant Dutch Boy colors.

With Dutch Boy you're assured of superior quality. Satisfaction. Fast order service. Dependable delivery.

Add to these the reputation of Dutch Boy and National Lead Company. Dutch Boy cast acrylic sheet is made by Landover Manufacturing Company—a subsidiary of National Lead Company. For over 75 years a leader in plastics, colors, paints, chemicals, metal production and fabrication. Renowned for superiority in quality, style, and performance.

Want to hear more? Samples? An appointment with a Dutch Boy representative? Easy. Just check and mail the

coupon today. Landover Manufacturing Company, Landover, Maryland, a subsidiary of National Lead Company.
