Dear Mr. Brown:

Saranac Laboratory
Asbestos Dust Experiments

Thank you very much for your letter of March 21st enclosing reprint of the report entitled "Experimental Studies of Asbestosis" which finally appeared in the January, 1951 issue of "A.M.A. Archives of Industrial Hygiene and Occupational Medicine."

I am very pleased that this report has finally been published officially and believe that it should be quite useful. We are initially ordering twenty copies of the reprint from the A.M.A.

I wish to thank you for all of the interest and assistance which you personally have given to the Industry in bringing about the final publication of this report.

With kindest personal regards and best wishes, I remain

Yours sincerely,

President
