Gentlemen:-

PIONEER WHITE LEAD CAPS:

We acknowledge receipt of your letter dated Oct. 13th and note your request for prompt quotation on 25,000 Pioneer White Lead Caps.

We beg to refer you to our letter #1503 dated Oct. 1st, sent in reply to your letter dated Sept. 21st, advising that the International Specialty Co. quoted 25,000 Pioneer White Lead Caps, same as formerly furnished, at \$82.50 per K.

This is the only quotation we have received to date, and would suggest that you place order immediately if you are in need, as we understand the oil cloth used in the peaks of these caps is very hard to obtain.

Very truly yours,

W. P. FULLER & CO.
