SUBJECT: VICTOPAC 14

re: Samples for Caterpillar #1E 674

Please refer to your note of August 22, 1967, on this subject.

Enclosed you will find the following:

5 pieces Victopac 14, 8-1/2" x 11" x .031" (grain direction stamped)

5 pieces Victopac 14, 8-1/2" x 11" x .062" (grain direction stamped)

This is in accordance with the specific requirements of paragraph VI-B of #1E 674 covering material qualification.

These samples were prepared from our production run of last week as per our revised Formula #828 and Factory Standard #302, incorporating tolerances agreed to by all parties concerned (Raw Material Inspection, Production, and Materials Development Laboratory). On the basis of this run, it was agreed that the Standard and the tolerances are within the manufacturing capability of the Victopac process and equipment.
