

1 A I am trying to place him.

2 Q And next is Mr. J.H. Thomas.

3 A I know him.

4 Q That is the same person I am talking to,
5 isn't it?

6 A Right, same guy.

7 Q At this point in time, December of 1943, you
8 were an assistant to the president of Owens-Corning at
9 that time?

10 A Yeah, I guess so.

11 Q The next is Mr. William H. Page.

12 A Don't know him.

13 BY MR. MCGOWAN:

14 Q Now, in this memorandum, which has been
15 identified by Mr. Ames, it is discussing the
16 advisability of mixing asbestos with fiberglass and
17 making a combination textile.

18 Do you --

19 A Textile?

20 Q Yes. Asbestos and fiberglass were being
21 proposed to be used with a textile.
