Re: Industrial Hygiene Foundation

Dear Ted:

You have doubtless received copy of McMahon's letter of December 27th suggesting a further increase in the Mellon Institute contract to cover the salary of an additional hygienist. My purpose in writing you is two-fold, first, to ascertain what is your opinion of the proposal and, second, to inquire whether the minutes of the Trustees' meeting held on the evening of November 10th have been formally drawn up. I do not appear to have received a copy of the minutes, as is customary, and I would like to review them before I express an opinion upon Mac's proposal.

Sincerely,

Vandiver Brown,
General Attorney.
