Dear Jacks

It appears definite at this time that I will be in Chicago on October 3 and will plan to attend the meeting with Ed Barnes as official representative of the A.I.H.A. Sorry that the APHA meeting in New York will prevent you from being here.

I am planning to arrive at the Pennsylvania Station, New York on Thursday October 5, 1944 at 12:40 PM. If you are to be at the Hotel Pennsylvania at that time it might be desirable for me to outline to you what went on at the meeting.

If it would fit into your respective schedules, I would suggest that Dr. Kehoe, you and I have lunch together at the Hotel Pennsylvania Thursday noon to review the details concerning the April meeting as brought out by the October 3 meeting here. On previous occasions I have found that the Pennsylvania train arriving at 12:40 PM is an exception to the rule and usually pulls in right on time. To play safe, will you designate a restaurant where I should meet you so as not to hold up your lunch if I am late. It is probable that I will be leaving New York shortly after lunch.

Yours very truly,

NAC:ACE
