

1 would be part of the, part of the regulation.

2 Q But would it only be employees
3 involved in, let's say, the manufacturing
4 process? I guess what I'm getting at is, is
5 the person who carried the mail, you know, in
6 the tower here in Detroit, were they tested
7 every year?

8 A I believe there was only Ford
9 employees.

10 Q Okay. I guess the question I'm
11 asking, though, would it have been just
12 manufacturing employees, or was it all Ford
13 employees regardless of their job?

14 A I'm not sure specifically what you're
15 asking me. Pending on the job would be, there
16 could be routine testing done.

17 Q Okay. That's what I was asking.

18 A And depending on the regulations,
19 there could be routine testing done.

20 Q All right. Let's take a look at
21 No. 12 on Schedule A as well. Are you the
22 person most knowledgeable within Ford as to the
23 use of warnings or instructions regarding the
24 use of asbestos-containing products that were
25 issued at any time, let's say, after '73?
