

FROM W. M. Parker, Jr. DATE October 27, 1972 FOR J. Southwick
CITY Oak Brook #17 D.P.J.R.C.
ANSWERING
LETTER OF
SUBJECT LEAD FREE SWP HOUSE PAINTS

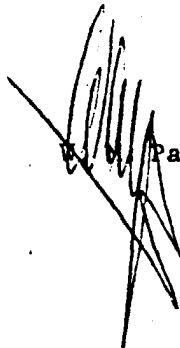

Under separate cover, via U.P.S., we are sending to your attention today the following Sherwin-Williams materials:

1. A2 W4 - (471)
Chalking House Paint
11266 (16)
2. A2 W5
Ext. House Paint Undercoater
10278 (16)
(replaces #450)
3. A2 W8 - (473)
Non-Chalking House Paint
11290 (16)

*Pb free
.01% cobalt
no other check for
metals per JES
12-1-72*

We have been advised by the Sherwin-Williams personnel that the letter "X" following the product code on the lid of the cans denote lead free material. You will notice that all three of these containers have this designation which, I believe, is what you wanted to check.
