G.E. was in Jackson re 307 list - brought up GE the re problems - J. liked it. - was surprised & appalled at lack of data re stds. - suggd indy hit def'n of PCB's to

→ 307 stds reconsidd'n work & be done by Thompson's group.

to meet w/ GE & W'house Tues in Wash. DC. re 307 stds. - & NEMA & anti trust - to coord. comments & avoid cross-examg own witnesses e.g.
