October 24, 1972

Mr. Henry B. Lick ✓
Industrial Hygienist
Industrial Hygiene Section

Subject: Environmental Exposure to Airborne Asbestos Fibers

In answer to your letter requesting the use of asbestos or asbestos laden material, including the job titles and the number of employees involved, the following list is submitted:

Sheet Metal Men - 6/Day (24 Hours) 2/Shift

Brick Mason Men - 6/Day (24 Hours) 2/Shift

Crib Attendants - 17/Day (24 Hours) 3 #1 Shift, 10 #2 Shift, 4 #3 Shift

Backlite Loaders, 24/Day, 8/Shift

Backlite Unloaders, 24/Day, 8/Shift

The above list is what we feel comes under the OSHA standard. If more information is needed, please let us know.
