A CALL TO DUTY

The duty which you owe your property is protection from the deteriorating effect of rain, sun, snow and wind.

Remember this: It is much cheaper to repaint than to repair.
Also this: "Save the surface and you save all."

Economical protection for your property can be had by using Dutch Boy white-lead mixed with linseed oil, a paint that spreads easily and covers thoroughly. A tried and true surface-saver that costs less than any paint you would consider using! Any color you desire is available.
