October 15, 1963

OCT 17 1963

Mr. John Harrington
The Eagle Picher Company
American Building
Cincinnati, 1, Ohio

Subject: OC-660 Insulating Cement Bag

Dear John:

Sample bag you sent us appears to be entirely satisfactory. We have no objection what so ever to your changing our bags over per the sample. I assume also that you intend to do the same with the OC-110 cement bag.

Sincerely,

OWENS-CORNING FIBERGLAS CORPORATION
