Apologies that we have not responded sooner. If you would still like to meet with Mr. Bernhardt, let me know and I would be happy to schedule.

Thanks

Gareth

David, hope you're doing well.

I am doing some work for AWEA, and a number of their priorities are related to activities underway at DOI. We've spent some time with members of your and Secretary Zinke's team on a variety of issues and would like to connect with you directly as well.

Do you have some time in the coming weeks to meet with AWEA's CEO, Tom Kiernan, their SVP of Government & Public Affairs, Amy Farrell, and me?

Thank you,

C.
