Did the President actually nominate Wehrum or is this an intent to nominate? If it's the former, I will revise the letter right away and send you and Barrasso and Carpet the corrected version

Whoops. I meant to send you the signed version yesterday but then got distracted by other things.

Please give me a heads up when you can so that I can send the letter to Barrasso and Carper and be prepared for press calls. Good luck to you and Bill. I hope you guide him through the confirmation process quickly!
