Kenneth,

I would like to introduce myself to you, and request participation in the roundtable meeting to be held next week pertaining to CAA enforcement activities in relation to the oil and gas industry. Anadarko sent a letter last year requesting inclusion as Anadarko views this as a very important opportunity to work with EPA. Please see attached letter.

For purposes of introduction, I am the environmental attorney at Anadarko working within Region 8. Over the past few years we have gained a great deal of experience pertaining to this topic and would like to share our ideas and insight with EPA.

We would greatly appreciate being included in this meeting, and I thank you in advance for your time and consideration of this request.

Regards,

**Julia A. Jones, J.D./M.S.E.S.**
