Subject: RE: MICHIGAN GOVERNOR SNYDER CALL WITH EPA ADMINISTRATOR PRUITT

Hi Elizabeth,

Copying Troy Lyons. The Administrator will have one of his Superfund experts on the line with him as we did not realize the Governor wanted a one-on-one call. Feel free to give me a call at 2 [Ex. 6]

Thanks,
Preston

Great, at that time, the Administrator can call [Ex. 6] We will have no staff on the call and I want to confirm the Administrator also will not have staff?

Thanks
Elizabeth

9:15 on 12/15 works! Can we call the Governor from our secure line? What is the best number on which to reach him?

Hi Elizabeth,

The Administrator will be returning from international travel on the 14th, so unfortunately that will not work. Could we perhaps stick with a call on the 15th or perhaps early next week?

Many thanks,
Preston

Hi Preston,

The Governor will be in DC now on the 14th. Can we arrange a time for them to meet in person? Say 12:45?

Thanks

Elizabeth

Could the Governor perhaps do 11:45 AM on the 15th?

> Hi Elizabeth,

> Apologies for the delay on this. The Administrator is testifying tomorrow before the House Energy and Commerce Committee, so this week has been a bit hectic. Would it be possible to push this call to mid-next week? He will be on travel through Wednesday, but perhaps we can shoot for Thursday the 14th. We are happy to do a staff level call in the meantime.

> Please let me know if this would suit the Governor's schedule. In addition, please see our press release (<https://www.epa.gov/newsreleases/epa-launches-cross-agency-effort-address-pfas>) on the launch of cross-agency efforts to address PFAS.

I am planning to get our subject matter expert/Associate Administrator in the Office of Chemical Safety and Pollution Prevention, Nancy Beck, in a meeting with Eric. In addition, one of the Administrator's senior advisors, Ken Wagner, has been engaged with this issue in Michigan specifically. Please let me know if this fulfills both of your requests.
