Hi all,

I wanted to make sure you had a copy of the testimony of Jeff Farrah (CEO of the Autonomous Vehicle Industry Association), delivered today before the House Energy and Commerce Committee's Subcommittee on Commerce, Manufacturing and Trade. The hearing was titled, "Looking Under the Hood: The State of NHTSA and Motor Vehicle Safety."

A PDF of the testimony is attached, and it is also linked here as made available on the committee website: <https://docs.house.gov/meetings/IF/IF17/20250626/118433/HMTG-119-IF17-Wstate-FarrahJ-20250626.pdf>. AVIA's press release about the hearing is available [here](#).

Please reach out with any questions. Thanks,

Ariel
