Lockland, Ohio

Dear Mr. [REDACTED]

A few days ago I received a letter from the Industrial Commission of Ohio requesting me to make an examination and a report in relation to your claim for compensation now pending before the Industrial Commission. In order that I may follow out the instructions of the Commission, I should appreciate it if you would get in touch with me or my secretary at the earliest convenient time so that we may arrange for your examination. I would suggest that you get in telephone communication by calling University 2665. If this is impossible, I suggest that you drop me a line and let me know at what time you will present yourself for examination. Any morning the first part of next week after 8:30 A.M. will be satisfactory to me at the present writing. You can find my office most readily by coming to the College of Medicine at Eden and Bethesda Avenues.

Very truly yours,

RAK:IS
